

Membership Guide

3 Counties Arthritis Care is an educational support group set up by Orthopaedic Consultant, Nadim Aslam which aims to support and educate those members of the local community who suffer from arthritis.

3 Counties Arthritis Care wants to create a society in which the medical needs of those who suffer from arthritis are understood, supported and fully met.

We're looking for specialists and clinics within the three counties to be a part of our group and join the online and referral community.

Benefits:

- Direct access to a group of specialists and clinics within the 3 Counties area.
- Promotion of your clinic and/or specialist on the 3 Counties website.
- Events – Community education & Specialty focussed
- Free listing on the directory page – we just ask for a reciprocal link on your page
